

July 2010

Consider how the Báb endured difficulties and tribulations; how He gave His life in the Cause of God; how He was attracted to the love of the Blessed Beauty, Bahá'u'lláh; and how He announced the glad tidings of His manifestation. We must follow His heavenly example; we must be self-sacrificing and aglow with the fire of the love of God. - Abdul-Baha
 (Promulgation of Universal Peace Pg. 139)
